

# revival NEWS

Dear Friends and Partners,

We greet you in the matchless Name of Jesus!

We had an awesome time at Summer Campmeeting in July! If you didn't make it down, then make sure you join us for the Winter Campmeeting in January!

After Campmeeting, we went back to Fort Worth, Texas. We set a G.A.T. record there, last year, for souls saved. They were more than ready and eager for us to come back and they ended up breaking their own record with 783 harvesters and over 21,846 souls saved! After 35 cities and 583,000 decisions things are beginning to pop out west. We have Billings, Montana coming up this month, two east coast cities—Cincinnati, Ohio, and the Washington D.C. area in September, and Phoenix, Arizona in October. The way things are going, it looks like we may be out west with the G.A.T. for quite a few months this year, targeting Arizona and California in particular.

Drs. Rodney & Adonica Howard-Browne

Phoenix will be the biggest G.A.T. to date. We are planning ten nights in a park there. Already 650 churches in Phoenix are on board and the Spanish television network is behind us and working with us. There are about 60 million Hispanics in the U.S.A. I truly believe that the Hispanic community will play a major role in these last days in helping to ignite America by the power of God. I believe they have the "fuego" – the fire and the passion to see America shaken.

Time is short and the window of opportunity is even smaller. This is not the same America we came to almost 21 years ago. We need to move swiftly, mobilizing every member of the Body of Christ to bring in the harvest of souls. Our original plan and first goal was to focus on America for two years—2007 and 2008—and now we are extending The Great Awakening Tour into 2009. The Lord told me that in 2007 it would start, in 2008 it would explode, and in 2009 we would be in the middle of a great harvest of souls! We see America ablaze with the glory of God. It's time to bring in the harvest; it's time to mobilize the Church; it's time to see America shaken! It's time to go west!

Thank you for locking in with us for the harvest of souls. Thank you for your commitment, your faithfulness and your generosity. We pray that just as God blessed and multiplied faithful Abraham, He will abundantly bless and multiply you!

Yours for revival and the harvest,

Drs. Rodney and Adonica Howard-Browne

# THE FIELDS ARE WHITE

*Do you not say, 'There are still four months and then comes the harvest'? Behold, I say to you, lift up your eyes and look at the fields, for they are already white for harvest!*

*John 4:35 NKJV*

*Do you not say, 'There are still four months and then comes the harvest'? Behold, I say to you, lift up your eyes and look at the fields, for they are already white for harvest! John 4:35 NKJV*

Truly, we are living in a time where the fields are ripe and white for harvest. Jesus did not tell us to wait for a future date, until the harvest will be ready, He told us to look up and see that the harvest is ripe right now! The harvest has always been ripe—in every generation—the Church has just been oblivious. A precious few have enough spiritual sense to see and seize the opportunity.

*Then He said to His disciples, The harvest is indeed plentiful, but the laborers are few. 38 So pray to the Lord of the harvest to force out and thrust laborers into His harvest. Matthew 9:37-38 AMP*

The Father says that it is His harvest! He counts every plant as His. He is just waiting for and looking for laborers willing and prepared to share the good news. The fields are ready. They are just waiting to hear this good news. They are just waiting to be claimed and confirmed as His. They are waiting for you!

The harvest is ripe, but the laborers are few,

therefore it is important that we all get involved. God tells us to pray that the Lord of the harvest would send forth laborers into His harvest. The Greek word for "send" translated in the King James actually means "eject" which is rendered as "force out and thrust" in the Amplified Bible. We are to pray that God would eject laborers into the harvest. That is a mighty strong word. Most of us try to just tiptoe into the field, if we go at all, but God wants to launch us!

*Then He said to him, "A certain man gave a great supper and invited many, 17 and sent his servant at supper time to say to those who were invited, 'Come, for all things are now ready.' 18 But they all with one accord began to make excuses. The first said to him, 'I have bought a piece of ground, and I must go and see it. I ask you to have me excused.' 19 And another said, 'I have bought five yoke of oxen, and I am going to test them. I ask you to have me excused.' 20 Still another said, 'I have married a wife, and therefore I cannot come.' 21 So that servant came and reported these things to his master. Then the master of the house, being angry, said to his servant, 'Go out quickly into the streets and lanes of the city, and bring in here the poor and the maimed and the lame and the blind.' 22 And the servant said, 'Master, it is done as you commanded, and still there is room.' 23 Then the master said to*

*the servant, 'Go out into the highways and hedges, and compel them to come in, that my house may be filled. 24 For I say to you that none of those men who were invited shall taste my supper.'"*  
Luke 14:16-24 NKJV

The master told the servant to compel the lost, the sick and the dying to come in. In the Amplified Bible it says, "Go out into the highways and hedges and urge and constrain [them] to yield and come in, so that my house may be filled." Notice that the master first sent his servant out to invite people to his supper; then he sent him back out to bring them in; then again to compel them to come in. There is urgency in his call and he won't take "No" for an answer! This is the Great Commission not the great suggestion! We must move with haste and determination.

### **WAYS FOR YOU TO BE INVOLVED:**

**PRAY** - Pray that the Lord of the harvest will thrust forth laborers. Pray that God will allow you to be a part of this great end-time harvest. Remember, the only thing we can take with us when we leave this earth, is people.

**BE INVOLVED** - Come and help us on the streets, in the retirement homes, in the schools, university campuses, hospitals, etc. we need laborers, we need helpers. Pray about being involved financially in the harvest of souls. Your one-time gift this month will greatly help us in the harvest, as well as your ongoing monthly support of any size. We are looking to extend the meetings in the western cities from four days to eight or ten days. Of course the costs will also increase to around \$150,000 per city. Right now we are looking for an open field in Phoenix for The Great Awakening. As of today, we are still quite a long way from being ready to purchase our own air-dome, so anything you sow toward that would be a blessing and very much appreciated!

Please lock in with us to see America saved. We would appreciate your help this month with a generous love gift of support. What is the very best you can do? Please don't throw this opportunity away. We know that some people may look at this as just another appeal; however, it is vital that you participate with us in this great adventure! We feel not only to compel the lost and dying to come in, but also to compel you—my friends—to help in this harvest! It's an opportunity of eternity—an eternal investment—that will count for eternity. May the Lord bless you as you grab a hold of the heartbeat of God and press in with us to bring the Father's harvest in!

# **A TESTIMONY OF HEALING**

In April of 2006, I began struggling with a crippling condition of a rare genetic arthritis which inflamed every tendon in my body. This created nerve damage as a full scale neuropathy that affected my whole body and sensory units. I was bed bound most of the time. I lost count of the many medications prescribed to me to control the pain. I was on a synthetic morphine, unemployable and on disability insurance.

In August of 2007, I attended a service at the River Church. I came to the service ambulating with a cane as I was crippled. Midway through the preaching, as I sat in my chair, God began to move on me. A warmth flooded by belly up and out over all of my limbs. Little did I know that over the next 4-5 days every symptom would disappear. It's a miracle!

Today I am happy to say that God gave my life back to me! I am so thankful for The River! I know that my life has been changed for ever. I am actively ministering, witnessing, and using the soul winning script. Thanks be to God!
