# revival NEWS

Dear Friends and Partners,  
Greetings in the wonderful Name of Jesus.

It's awesome to see what God is doing in the harvest of souls that is coming into the Kingdom in this hour! Since our last letter, we have been on The Great Awakening Tour to Billings, Montana; Cincinnati, Ohio; Washington, D.C.; and Phoenix, Arizona. So far, as we write to you now, we have seen 21,000 harvesters mobilized and over 660,000 decisions for Christ in 20 months! In the next few months we will be in Oklahoma City, Oklahoma, in November, West Palm Beach, Florida, in December, and Riverside, California, in January.

Jeremiah 17:5-7 AMP says: *"Thus says the Lord: Cursed [with great evil] is the strong man who trusts in and relies on frail man, making weak [human] flesh his arm, and whose mind and heart turn aside from the Lord. For he shall be like a shrub or a person naked and destitute in the desert; and he shall not see any good come, but shall dwell in the parched places in the wilderness, in an uninhabited salt land."*

Drs. Rodney & Adonica Howard-Browne

However, verses 7 & 8 say: *"[Most] blessed is the man who believes in, trusts in, and relies on the Lord, and whose hope and confidence the Lord is. 8 For he shall be like a tree planted by the waters that spreads out its roots by the river; and it shall not see and fear when heat comes; but its leaf shall be green. It shall not be anxious and full of care in the year of drought, nor shall it cease yielding fruit."* If we put our faith in God and not in the economy, or what we see and hear, we will be blessed and fruitful in the middle of the most adverse circumstances!

It is imperative, in this hour, that we stay focused on eternity and the harvest of souls. The economy and our priorities on this earth are not eternal, but the Kingdom of God is eternal! Souls are eternal! Not the stock market, Dow Jones, or the prices of oil and gas. Souls! Souls! Souls! So keep your focus on eternity—keep giving and sowing seed and bringing in the harvest and God will sustain you and meet all your needs! Pray about coming to help us on The Great Awakening Tour in the future and also about sowing your very best seed into the harvest. Keep us in your prayers as we are on the frontlines, bringing in this harvest of souls.

America will be saved! We will have another Great Awakening!

Yours for the eternal harvest,

Drs. Rodney and Adonica Howard-Browne

P.S. It costs us about \$75,000 per city per week. So far, in 43 cities, we have had an average of 15,776 souls saved per week, which means that it costs us around \$4.75 per soul. This is great value for your dollar!

10 souls... \$50	20 souls... \$100	50 souls... \$250	100 souls... \$500
250 souls... \$1,250	500 souls... \$2,500	1000 souls... \$5,000	2000 souls... \$10,000

## THE GREATEST BAILOUT PLAN

### JESUS CHRIST

Colossians 2:14 ERV  
*Because we broke God's laws, we owed a debt—a debt that listed all the rules we failed to follow. But God forgave us of that debt. He took it away and nailed it to the cross.*

### The Greatest Bail-Out that Ever Took Place

This month I would like to talk to you about the Greatest Bail-Out that ever took place!

Recently Congress voted to bail-out certain financial institutions, because of fears that their failure would cause a major collapse in the world economy. Well, I want to talk to you about a different bail-out that took place over 2,000 years ago! Because of the fall of Adam and Eve, and mankind's sin and disobedience, they were in such a mess that there was nothing they could personally do to satisfy Heaven's Courts of Justice. From God's perspective, the blood of bulls and goats only covered the sin of the world, but did not permanently do away with that sin. It was definitely not a permanent solution. So Almighty God personally stepped in to rescue man.

John 3:16 says that, *"God loved the world so much that He gave His only begotten*

*Son, so that whoever believes in Him should not perish but have everlasting life."* God knew that He had to act—there was no other way—it was Jesus who would give His all on the cross of Calvary and shed His blood for the sins of the world.

What took place was unprecedented! God would take on human flesh and become one of us! Since sin was passed down from generation to generation, He would be born of a virgin. Despite every temptation, He would live a sinless life, die on the cross and be raised from the dead—making the ultimate sacrifice for mankind. It was God and man and the sacrifice—in one—for our redemption. All we would have to do is just believe and receive to be a recipient of this ultimate bail-out from sin.

You were spiritually dead because of your sins and because you were not free from the power of your sinful self. But God gave you new life together with Christ. He forgave all our sins. *"Because we broke*

*God's laws, we owed a debt—a debt that listed all the rules we failed to follow. But God forgave us of that debt. He took it away and nailed it to the cross.”*  
Colossians 2:13-14 ERV

Without Jesus, we were lost and on our way to hell, with no chance of redemption, but heaven stepped in and set us free. Now, our obligation is to go out and tell the world—tell everyone on the earth this Good News! They don't have to go to hell! The price has been paid; the blood has been shed; Heaven's courts of justice have been satisfied. All they have to do is repent, turn and receive His mercy and grace, and allow His blood to cleanse them. Then THEY need to get involved in bringing the Good News to the rest of the world!

New converts tend to do this automatically. They are so transformed, and so grateful for what God has done for them, that they want to share it with all the people they know and love—their family; their friends; their co-workers! Usually, it is the people who have been saved for a longer period of time who hesitate to share their faith. We have a tendency to complicate things in our own head and make it too hard to do. New believers may not know much and they keep the message simple, but that is the power of their witness! They know just enough to communicate the essentials of the Gospel which has the power to instantly save a soul. Never try to do it in your own strength—put the pressure on the Word; put your faith in the Gospel to do the work.

### **What does God require of you and me?**

1. Pray. Get involved with your prayers. Ask the Lord of the Harvest to send laborers.
2. Win the lost. Become a laborer yourself.
3. Contribute materially. Support the harvest financially and be a part of God's Economy!

### **Prayer:**

Thank you Lord for saving me. I pledge to tell ALL and to fund this harvest and bring in the precious fruit of the earth!

Souls! Souls! Souls!

Thank you Lord for the Greatest Bail-Out ever!!!

## Where is your treasure?

What gifts and talents has God given you? Does your life revolve around God or your things? Do you know that God has raised you up for such a time as this? Are you truly using the things God has placed in your hands for God's purposes? God has entrusted financial assets into your care. What you do with them reveals your heart and impacts both your eternity and the eternity of others. In this 3-CD series, Dr. Rodney Howard-Browne presents heart-changing truths on discovering true wealth. Gain powerful insight as Dr. Rodney shares from God's word and presents some powerful questions that every person should ask concerning their attitude toward the things God has placed in his/her care.

Jesus wants us to choose our treasury—where we make our deposits. Will you choose a life wasted in pursuit of wealth on earth, or a life invested in the pursuit of wealth in heaven? Jesus would love to be able to say to you: *“Well done, good and faithful servant... Enter into the joy of your Lord”* - Matthew 25:21, NKJV
